As mentioned on the Rental Agreement, the Lessee holds full responsibility for all equipment from the time of delivery or will-call until it has been picked- up by, or returned to Hemet Party Rental. The Lessee understands that any damage to any product that is caused by misuse or mistreatment will result in the Lessee being financially responsible for repair, or 100% replacement cost. The Lessee shall be liable to **HEMET PARTY RENTAL** for any and all damage which is not "ordinary wear and tear" in an amount up to or equal to the replacement value and any lost potential revenue. "Ordinary wear and tear" shall mean only the normal deterioration of the rental equipment caused by ordinary, reasonable, and proper use of the rental equipment. Damage which is not "ordinary wear and tear" includes, but is not limited to, theft, fire, vandalism, cutting or tearing of vinyl, moving of equipment from to where it was installed (just to mention a few), or any act that may destroy the leased property. We highly recommend the Lessee to verify an accurate count of your rental items received and returned.
